Dear Parish Council,

We have been approached by a local resident to assist in a planting project in New Longton to brighten the area up and provide plants across the village.

They are very keen to carry out this planting scheme in conjunction with Hutton and Howick WI which meets at New Longton, as part of their 100 years celebration of the WI in 2018. Edith Rigby formed the Howick and Hutton WI back in 1918.

The local resident and volunteers from the WI and the village have offered to plant the seeds and are keen to plant colours associated with their centenary celebrations. These include marigolds.

Members of the Western Parishes Neighbourhood Forum are keen to support this project and are happy to look into providing the funds for the planters, and for the materials. However they are concerned over the future maintenance of the project which South Ribble Borough Council would not be able to commit to taking on.

We are therefore writing to the Parish Council to ask if they could consider take on the on going maintenance of the planters, should this project go ahead?

We look forward to hearing from you.

Yours sincerely,

CLlr Colin Coulton
